

# EVERYTHING YOU NEED FROM THE DECK UP

## DF-545 PLANETARY GEAR WINCH

### Features & Specifications

- Lowest cost of ownership — SS parts and fasteners attach simple assemblies that are field replaceable.
- Compact and easy to maneuver at 690 lbs.
- Full load release — Patented design. No need to ever beat out the locking dog with a stainless brake that will not corrode.
- Two-speed spooling — Fast 5:1 at the handwheel and Powerful 19:1 using the ratchet.
- Wire control — Proven to reduce fouling with easy payout.
- Wire capacity — Drum will spool 70' of 1" wire.
- Durable enclosure — No flimsy guards to get in the way; we use plate and belting.
